CAMPUS PRO

A sports activity aimed at children between 4 and 17 years old, which consists of an internal weekly stay in summer with players arriving from all over Spain and internationally.

We have developed an intense football training program under the parameters of our methodology of training and directed by our academy coaches. We help goalkeepers reach their best as specialists in the game by carrying out specific daily work with them. Show your best level on the pitch and get a place to participate in the Villarreal CF International Tournaments.

Every player will have the opportunity to enjoy a stay in the footballers' residence, accompanied by several training sessions at the Training Ground and a visit to the Estadio de la Cerámica. We will carry out activities to simulate teamwork and co-operation during their stay, such as the refreshing swim at the AQUARAMA water park in Benicasim.

The main aim is to learn, while having fun, always with the ball at their feet.

* Bus leaving from the Villarreal CF Training Ground
Price: € 20. (Only Camp 1 and Camp 3)
